

2020 National Specialty and Journee Postponed

After much deliberation the Board of Directors of the American Beauceron Club has made the difficult decision to postpone the 2020 National Specialty and Journee to the same location in June, 2021. The board feels it is imperative to send this information to you as soon as possible to allow you to cancel any reservations and limit any cost to you. We understand your concerns and while refunds for logo wear, souvenirs and meals will be offered, donations will carry over to 2021. Any purchases for catalog advertisements will be refunded or carried over to 2021 if requested.

This was a very difficult decision for the board and our sole concern was for our members and to limit any challenges you may be facing. The committee for this event in Blackfoot, ID has worked very hard to bring an amazing experience for everyone in attendance and we are unified in allowing them to fulfill the efforts they have all given. The 2021 Journee and Specialty will be even bigger and better!

This is a decision no board has ever had to make and one that was not taken lightly. If you would like a refund for any items mentioned, please email ABCJournee@gmail.com and please allow ample time for the team to work through this process.

Take care of yourselves and your loved ones.

Respectfully,

Board of Directors
American Beauceron Club
