

Shadow – ADOPTED!

Name: Shadow

Age: 2 years

Gender: male, neutered

Location: Texas

Cats: Fine with his foster's kitties

Dogs: Tolerant of other dogs. Will do better in a home as the only dog, or with dogs who are respectful.

Kids: Unknown/older children recommended.

Livestock: unknown

Crate trained: Yes, good in a crate

Training: Bright and eager to learn! Shadow understands basic commands and engages easily with his foster family.

Reason for surrender: Shadow is one of over 20 dogs (not all Beaucerons) removed from a severe hoarding/neglect situation. The dogs were all kept locked in a filthy garage. We are delighted at how sweet the hoarded dogs are despite their bad start in life.

What does Shadow's foster have to say? Shadow is a typical young, bouncy Beauce. However, he is actually lower energy than most Beaucerons. He really just wants to be with you.

Who will be Shadow's ideal new family? Someone with Beauceron or working/herding dog experience. Shadow will thrive in a home where he can be the center of attention. He really enjoys going to training classes with his foster family, we hope to find someone who enjoys training their dogs.
