I NEED A SPONSOR!

Interested in sponsoring a Snack? The American Beauceron Club Rescue program covers vaccinations, spay/neutering, microchipping, and any other medical needs the SnackPack may need while in our care. Our \$300 adoption fee won't cover these expenses. If any group, individuals or kennels would be willing to match our adoption fee with a \$300 donation that would just about cover the veterinary expenses for the puppies. Please send us a message if you would like to sponsor a puppy!

Donations in any amount can be donated via paypal at

<http://www.paypal.com/donate...>

This will help us make sure anything else the babies need is all set. We know we have a couple who will need umbilical hernias repaired.
