Temperament Test

Temperament: M. Bertrand Garbay (France)

Three (3) adult females had identical scores; if dogs tie in their overall score, honors are awarded at the judge's discretion.

In this case, the judge chose to give the honors to the youngest adult dog.

All Adult Classes (12 months +) – tested with gunfire

The temperament test for adult dogs, 12 months or older, is an official rating.

Dogs do not need to participate in the temperament test in order to participate in the judging of the classes and the Best of Breed competition.

Male

Female

Temperament: M. Bertrand Garbay (France)

Three (3) adult females had identical scores; if dogs tie in their overall score, honors are awarded at the judge's discretion.

In this case, the judge chose to give the honors to the youngest adult dog.

All Adult Classes (12 months +) – tested with gunfire

The temperament test for adult dogs, 12 months or older, is an official rating.

Dogs do not need to participate in the temperament test in order to participate in the judging of the classes and the Best of Breed competition.

Temperament: M. Bertrand Garbay (France)

Three (3) adult females had identical scores; if dogs tie in their overall score, honors are awarded at the judge's discretion.

In this case, the judge chose to give the honors to the youngest adult dog.

All Adult Classes (12 months +) – tested with gunfire

The temperament test for adult dogs, 12 months or older, is an official rating.

Dogs do not need to participate in the temperament test in order to participate in the judging of the classes and the Best of Breed competition.

All Puppy Classes – tested without gunfire

The temperament test for dogs in the puppy classes is a preliminary test and at the discretion of the judge.

As with the adult temperament test, exhibitors are not required to have their dogs temperament tested for inclusion in the final judging of the conformation classes.
