

# The ABC Versatility Award

The American Beauceron Club Versatility Bronze, Silver and Gold titles are designed to spotlight the dog-handler teams who work with one another in a variety of events. Eligible dogs must be owned or co-owned by current Club members.

Titles are awarded in recognition of the accomplishments of the dog/handler in a range of activities: Conformation, Obedience, Schutzhund, Agility, Herding, and other activities in which certification or titles are earned. All titles must be earned or awarded by nationally recognized organizations.

When submitting your Application for a Versatility Award, attach copies of the relevant certification document. These will be retained in ABC's files and will *not* be returned. Please do not send original documents. Documents should be sent to the [Breed Certification Chair](#).

## Versatility Award Requirements

## Versatility Award Point Schedule

Points in all categories are cumulative.

Example: the UD degree entitles the dog to a total of 9 points:

+ CD	2
+ CDX	3
+ UD	4

9

Points must be earned in at least three (3) categories selected from Categories A – I.

- Full points are not awarded for additional titles at the

same level. These are, instead, awarded 1 additional point. (Versatility is showing the dog has mastered *many* areas)

- So, if the dog has attained an AKC CH and then a UKC CH the dog would have 4 points for the AKC CH and an additional 1 point for the UKC CH title.

Points are also cumulative from one award level to the next: the 10 points earned for the Bronze will be counted when assessing the qualification for the Silver Award.
