

## American Beauceron Club Versatility Award

The American Beauceron Club Versatility Bronze, Silver and Gold titles are designed to spotlight the dog-handler teams who work with one another in a variety of events. Eligible dogs must be owned or co-owned by current Club members.

Titles are awarded in recognition of the accomplishments of the dog/handler in a range of activities: Conformation, Obedience, Schutzhund, Agility, Herding, and other activities in which certification or titles are earned. All titles must be earned or awarded by nationally recognized organizations.

### Versatility Award Point Schedule

Points in all categories are cumulative.

Example: the UD degree entitles the dog to a total of 9 points:

$$\begin{array}{r} \text{CD} \quad 2 \\ + \text{CDX} \quad 3 \\ + \text{UD} \quad 4 \\ \hline 9 \end{array}$$

Points must be earned in at least three (3) different categories selected from Categories A – I.

- Full points are not awarded for additional titles at the same level. These are, instead, awarded 1 additional point.
  - Versatility is showing the dog has mastered many areas and not a specialist.
  - So if the dog has attained an AKC CH and then a UKC CH the dog would have 4 points for the AKC CH and an additional 1 point for the UKC CH title.
- Points are cumulative: the 10 points earned for the Bronze will be counted when assessing the qualification for the Silver Award.
