

Beaucerons du Coeur de Soleil

When I first read a description of the Beauceron breed, it was like I was reading a description of my perfect dog. But, I wasn't quite sure what to expect. Soleil exceeded all my expectations by far. I didn't know, when I picked out that little 8 week old puppy, how much joy and happiness she would bring me. My life has never been the same. I look forward to owning Beaucerons for many years to come.
