

Le Boulanger Beaucerons

Our mission is to produce healthy, well-rounded Beaucerons, that can go from being the beloved pet, to the show ring and have the ability and desire to compete in a variety of other venues. A sound mind and physically correct structure can juggle the demands of this active breed. We focus a tremendous amount of time on socializing puppies and offer constant support to all of the families they go to, in order to help them develop into confident, well-mannered companions. We are very selective of the homes our puppies go to and want to make sure they are prepared to handle the challenges of the breed.
