Lena

Lena

This young lady just turned two years old. She was pulled from a shelter in Indiana. She is new to ABCR, so keep an eye out for updates!

She was fostered in Indiana with a loving foster family. So far she is a sweetie, a little shy and scared, but is coming out of her shell. She enjoys the company of other dogs.

UPDATE: Lena has been adopted! Congratulations to her new family on a wonderful addition to their lives.
