

Artemis

Artemis – Artie was surrendered by her owners at just 10 months of age for being shy and frightened of strangers. With a little bit of patience and lots of training from her foster mom and current owner she had a complete transformation!

Artemis, an 11 month old female, came to her forever home in February 2016. We jumped into socialization, obedience and nosework training. She is now my mobility service dog, as well as the first beauceron to title in NACSW (National Association of Canine Scent Work) Nose Work, where she qualified in all three odors. Her formal name is **Lesya the Huntress du Chateau Rocher CGC CGCA CGCU SD NW1**. We hope to add nosework, rally, and obedience titles in our journey together. She is an outstanding ambassador for the breed both locally and as we travel the USA and Canada in an RV a third of the year. Thank you, ABCR, for allowing my life to be blessed by this gorgeous, loving beauceron.
