As our beauceron crew were busy in the ring, this report was provided by an innocent bystander, and compiled prior to the posting of final results. Errors are wholly inadvertent, and we encourage you to address/correct them in the comments, and on ABC's YouTube channel where you can see video of both Open Class competitions (unfortunately, the video of the BoB did not save correctly and we were not able to post it).

Congratulations to the winners and a quick shout out to Ryka who is now gracefully retired from the conformation ring.
