

ABC Herding Clinic

The Beauceron Herding Clinic is still scheduled for August 8 and 9, 2020 at Bitterbrush Kennel and Livestock in Nevada. Details can be found [here](#) as well as registration and payment through the website. Ms. Edwards is offering dry RV/trailer camping on site. People who are wanting to meet their breed, and their awesome owners, are welcome to attend for free to observe and visit. The cost is per dog, and Ms. Edwards recommends dogs be at least a year old, but the clinic is suited for all levels of training. If you have any question contact Event Chair Syndi Keats (Sanda Kat on Facebook) through message on Facebook or tag her in a post in one of the Beauceron groups.
