

New AKC Titles in 2020

Sarah E. Price

I think we can all appreciate how difficult 2020 has been, and particularly so for competing in sports! This is all the more reason to be impressed by the 322 new titles earned by Beaucerons this year. With the addition of virtual competitions in Trick Dog (81 new titles) and Rally (38 new titles) (and in 2021 Virtual Obedience) many of you seized these new opportunities to train and title your dogs despite the pandemic. Congratulations to all the dogs and their owners for accomplishing so much, despite 2020!
