

CandyGrams Return for 2021!

The ABC Ways & Means Committee is excited to announce that we have been given the go ahead to do our CandyGram fundraiser again this year! It was a great success last year and we know many people really enjoyed it so we have tried to make it even better this year! Remember that you can send a CandyGram to ANYONE in the USA, they do not need to be in the Beauceron community. (Sorry not international recipients for this one as the shipping costs get very hard to calculate for something like this)

We will be posting actual ordering info very soon but wanted to give everyone the heads up that we would be doing it this year so you can start planning!

This year we will be sending bundles which consist of 1 delicious sucker for the people and a treat bag of yummy, limited ingredient heart shaped treats for the pups. Bundles will be priced at \$5 and we will not be offering individual items this year. Notes of less than 250 characters will be encouraged and will be written on some wonderful cards with a double dew paw print!

♥A very exciting addition is that we have put together a raffle basket to run in conjunction with this fundraiser this year! Each bundle that you purchase will automatically get you one entry for a basket valued at nearly \$65! The more you send, the more chances of winning the basket you will get. (We will get you a picture and rundown of what's in it once we are ready to go live with the sales) Entries for this basket will be available for stand-alone purchases as well for \$3

So start collecting those addresses and come up with some funny or heartfelt notes to send to your friends or family! Keep an eye out for ordering info hopefully next week and be sure to join the group Fundraising Benefiting the American Beauceron Club if you don't want to miss out on our

fundraisers!
