

2021 National Specialty Health Clinic Update

Hello, ABC Club!

We have two updates for you regarding the health clinic scheduled to be held at the National Specialty this year.

Firstly, this is to confirm there will be an OFA Eye Clinic on Saturday and Sunday 6/19/21 & 6/20/21! Please email Pam Metts Boyer to make your appointment(s) at psboyer@hotmail.com.

And then secondly and unfortunately, Dr. Laura Hatton, the cardiologist who was scheduled to do the heart clinic, has notified us that she will not be able to attend the specialty due to an emergency family illness. Dr. Hatton sends her deepest regrets for those who had planned on this testing opportunity, and in turn, we wish Dr. Hatton's family healing and prayers during this difficult time.

After being notified of this, efforts were made within the two state vicinity to locate another board-certified cardiologist with a mobile unit, and unfortunately, none are available.

Best Regards,

Gail Sherwood
