

Region 4 Report – June 2021

I would love to give a HUGE shoutout to everyone involved in the planning and happenings of the R4 ABC National Specialty. But very special Kudos to Sidney Wilcox who has never once faltered on this incredible task!

Also, Karla Davis has requested that I put in for a Supported Entry for the Northern California Herding Group Association in Dixon CA on October 29th-30th. This show has had a very successful Beauceron entry of over 20 dogs the last few years and is usually supported!

Cheers & Smiles,

Kayla Phillips
