

Member Records Notice

Dear Club Members,

In an effort to continue the forward course of our club, the BOD is releasing this letter to all members, based on the advisement of the club's attorney, Dennis Boman. This is an important and detailed letter whose compilation was brought about through recent correspondences by club member(s). The board chose to embrace the gravity of these correspondences from members, to engage the service of our attorney to spell out these matters so that the club, its members, and BOD can move forward – not just in 2021 but in 2022 and for years to come. Thank you.

The BOD
