

# Meet the Breeds

Interested in meeting a Beauceron? Come Join us at the 2018 Westminster Meet the Breeds in New York City!

On Saturday February 10th, New York City is going to the dogs! The 8th annual Westminster Meet the Breeds will be held at piers 92 and 94. Please stop by and visit the Beauceron booth. We will have information about the breed, their history, rescue dogs, the American Beauceron Club and of course Beaucerons available for petting. The booths are arranged alphabetically, and the Beaucerons will be downstairs in Pier 94. This is an excellent opportunity to meet the owners and their dogs, hope to see you there!
